

Open letter to our prime ministers

ASK ME!

The constitutional process was reopened in Berlin March 25 with the aim to implement the next treaty before the European elections in June 2009.

PLEASE, don't take any decisions without discussing it with us in the European Parliament and with the public.

The undersigned 10 members come from different political groups in the European parliament. We are all in favour of reforming our institutions, but we also want the citizens to be connected to the European institutions through direct participation.

We therefore ask you to ask the peoples of Europe about the next treaty or constitution.

Why not agree to referendums *in all EU*?
